PROFILE

Chainsnatcher is a Los Angeles DJ and producer with more than 30 years behind the decks. Starting on vinyl in the mid-1990s underground scene, his sound pulls from Chicago house, jackin grooves, disco, garage and techno while keeping a constant focus on swing, funk and soul.

Recent releases span Brobot Records, Groovphoria Records, Purveyor Underground, Late Night Jackin, Feel The Funk Records and Rhythm Movement, with additional work through the Die Familia alias and the launch of Babalon Music. Across every format, the common thread is groove, movement and a club-first approach.
